Scanned Item	15-cowork-skills.zip
Scan Date	2026-07-05 13:36:31
Scan Mode	Static only (--no-llm)
Privacy	Local report generation. No upload performed by this tool.

CAUTION — Manual review required before approval. See raw findings at the end of this report.

Executive Summary

Risk Score	38/100
Severity	MEDIUM
Recommendation	CAUTION
Issues Found	2
Executable Scripts	No

Risk guidance: LOW usually means the skill may be acceptable after normal review. MEDIUM means caution and manual review are recommended. HIGH or CRITICAL should not be approved unless the finding is fully understood and remediated.

Review Guidance

This report is informational and does not constitute automatic approval. Use the executive summary and raw findings to decide whether the skill should be accepted, remediated, or rejected according to your internal policy.

| `skills/visual-page-builder/SKILL.md` | markdown | 124 | No |
| `skills/workflow-visualizer/SKILL.md` | markdown | 110 | No |

## Issues (2)

### ■ HIGH: P2

**Location:** `skills/budget-dashboard/references/template.html:504`
**Confidence:** 70%

**Message:** Hidden Instructions

**Remediation:** Audit all comments and invisible characters. Remove any instructions that direct the agent to perform unauthorized actions. Use plain, reviewable content.

---

### ■ HIGH: RA1

**Location:** `skills/customize/SKILL.md:3`
**Confidence:** 85%

**Message:** Self-Modification

**Remediation:** Prevent the skill from modifying its own code, SKILL.md, or configuration files. Treat skill files as read-only at runtime.

---

## Metadata

- **Executable Scripts:** No
